Board's Ref. Mis.697/37 dated 27-2-1937.
This office Ref. C. No.2/37 dated 22nd March 1937.

--

In continuation of my previous report dated 23rd March 1937, I submit herewith my proposals for remission of land revenue in respect of villages of Siruguppa Taluk. The Tahsildar Siruguppa and the Revenue Divisional Officer Bellary, after making detail inspection of crops in all the affected villages have submitted outturn statement of both Mungari and Hingari Crops. Their reports show that the cotton crop has also proved a partial failure in these villages as in other Taluks of Alur, Bellary and Rayadrug. They have recommended remission of land revenue on the scale prescribed in Board's Standing Order 14.5(ii) for 77 villages in the Taluk. These villages are arranged in classes B and C as indicated in my previous report. There are no villages to be classified under A group. Siruguppa, Desanur, Ibharampuram, Havinahal and Gundiganur villages having wet ayacut have also been included, but remission is recommended in respect of dry assessment only as in the case of Kanekal village of Rayadrug Taluk referred to in my previous report.

2. February kist was postponed to April in respect of 75 villages of this Taluk as reported in my reference dated

11th

11th February 1937 and approved by the Board in the above reference. Out of 75 villages, included in my provisional list four have been eliminated. Six more villages as noted in the margin had to be added, as the average outturn in those villages fell below 6 annas. The Shrotriem village Poppanahal stands on the same level as Ryotwari village as it contains minor inams charged with full assessment, or with a quitrent equal to or more than the full assessment. A remission of 8 annas in 37 villages and 0-4-0 in 40 villages may be granted under B.S.O. 14(5)(ii) as noted in the appended statement.

3. In this connection, I request the Board to extend these concessions to all cases of minor Inams charged with full assessment or quitrent or Jodi equal to or more than the full assessment.
